Ambassador of the Republic of Kenya

Dear His Excellency,

Regarding property evaluation which I made 15 October 2009, I would like to explain the circumstances at that time. A few days before 15 October 2009 Mr. John K. Njeru of your Embassy asked me to make property evaluation again in order to know the latest market price of the Embassy because the land price dropped very much since 2007 and he suggested me to calculate according to the total land space of 1,481.77 m² instead of 1,195.33 m² which was in the property evaluation made 23 March 2007. Although I am not an evaluator, I could collect the information easily and I gave the property evaluation to Mr. Njeru simply for the purpose of information and I did not ask any charge for this service as I have been working for your Embassy for many years and hoping to keep this good relationship long time. I did not know the situation at all and I was misguided by Mr. Njeru. I am sorry very much for the trouble and the inconvenience caused by this.

Yours faithfully
