

WHAT IS YOUR ROLE AS A CITIZEN?

Since Members of Parliament work by the power of the citizens, Kenyans have a responsibility to ensure MPs fulfill their duty. Kenyans can:

1. Ask for information from MPs;
2. Contribute your experience, ideas and views during the lawmaking and budget making processes;
3. Using your right to recall, you can initiate a process to fire your Member of Parliament for non-performance or failing to obey the Constitution;
4. Go to court and challenge decisions made in Parliament, if such decisions are not aligned to the Constitution;
5. Petition Parliament to revise, remove or develop any law for the best interest of your community;
6. Take an interest in how your Member of Parliament is spending the National Government Constituencies Development Fund and the National Government Affirmative Action Development Fund. You may gather evidence and report your concerns of misuse of your taxes to the Auditor General or the Ethics and Anticorruption Commission

ROLE OF THE MEMBER OF PARLIAMENT

The Constitution provides the following to be the job of your Member of Parliament:

1. Represent you and fellow Kenyans, including special groups, in the constituencies;
2. Discuss issues that concern you;
3. Make national laws;
4. Discuss about tax payers money and decide how much the national and county government, including state organs will get;
5. Keenly monitor the President and Deputy President and other state officials and ensure that they respect and implement the Constitution;
6. Start a process of removing the President, Deputy President and other state organs from office if they fail to respect the Constitution;
7. Checks on how the Cabinet and Ministries spend money and ensure our money is spent properly

SCORECARD DISCLAIMER

- Mzalendo acknowledges participation in Parliament is just one of several parameters that can be used to judge performance
- The report recognises the official role played by the leaders of Majority and Minority, whips as well as members of the Speaker is Panel and does not include their data in the report.
- This data uses a simple quantitative metric – the total number of times the Member of Parliament spoke, as indicated by the Hansard.
- We note that this score card has not ranked Hon. Dori (who was ill in 2019 and passed on early 2020) and Hon. Imran Okoth – who joined Parliament late in the year after the loss of his brother Hon. Ken Okoth.
